CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 2387

Introduced by Assembly Member Mullin
(Coauthors: Assembly Members Chang, Cooper, Holden, and Wilk)

February 18, 2016

An act to repeal and add Section 27317 of the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 2387, as amended, Mullin. Vehicle equipment: supplemental restraint system components and nonfunctional airbags.

Existing law makes it a misdemeanor for a person to (a) install, reinstall, rewire, tamper with, alter, or modify for compensation, a vehicle's computer system or supplemental restraint system, otherwise referred to as an airbag, so that it falsely indicates the supplemental restraint system is in proper working order; or (b) knowingly distribute or sell a previously deployed airbag or component that will no longer meet the original equipment manufacturing form or function for proper operation.

This bill would repeal these provisions and instead make it a misdemeanor for any person to knowingly and intentionally manufacture, import, install, reinstall, distribute, sell, or offer for sale any device intended to replace a supplemental restraint system component, as defined, in any motor vehicle if the device is a counterfeit supplemental restraint system component or a nonfunctional airbag, as defined, or does not meet specified federal safety requirements. The bill would also make it a misdemeanor to knowingly and intentionally sell, install, or reinstall in a vehicle any device that causes the vehicle's diagnostic systems to fail to warn when the vehicle is equipped with a counterfeit supplemental restraint system component or nonfunctional airbag, or when no airbag is installed. The bill would provide that its provisions do not affect any duties, rights, or remedies otherwise available at ~~law~~. *law or preclude prosecution under any other law*. By creating new crimes, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 27317 of the Vehicle Code is repealed.
- 2 SEC. 2. Section 27317 is added to the Vehicle Code, to read:
- 3 27317. (a) A person shall not knowingly and intentionally
- 4 manufacture, import, install, reinstall, distribute, sell, or offer for
- 5 sale any device intended to replace a supplemental restraint system
- 6 component in any motor vehicle if the device is a counterfeit
- 7 supplemental restraint system component or a nonfunctional airbag,
- 8 or does not meet federal safety requirements as provided in Section
- 9 571.208 of Title 49 of the Code of Federal Regulations.
- 10 (b) A person shall not knowingly and intentionally sell, install,
- 11 or reinstall in a vehicle, any device that causes the vehicle's
- 12 diagnostic systems to fail to warn when the vehicle is equipped
- 13 with a counterfeit supplemental restraint system component or
- 14 nonfunctional airbag, or when no airbag is installed.

1 (c) A violation of subdivision (a) or (b) is a misdemeanor
2 punishable by a fine of up to five thousand dollars (\$5,000) or by
3 imprisonment in a county jail for up to one year, or by both the
4 fine and imprisonment.

5 (d) An installation or reinstallation shall not have occurred for
6 purposes of this section until the work is complete.

7 (e) The following definitions shall apply for purposes of this
8 section:

9 (1) "Airbag" means a motor vehicle inflatable occupant restraint
10 system device that is part of a supplemental restraint system.

11 (2) "Counterfeit supplemental restraint system component"
12 means a replacement supplemental restraint system component,
13 including, but not limited to, an airbag that displays a mark
14 identical or substantially similar to the genuine mark of a motor
15 vehicle manufacturer or a supplier of parts to the manufacturer of
16 a motor vehicle without authorization from that manufacturer or
17 supplier, respectively.

18 (3) "Nonfunctional airbag" means a replacement airbag that
19 meets any of the following criteria:

20 (A) The airbag was previously deployed or damaged.

21 (B) The airbag has an electric fault that is detected by the
22 vehicle's airbag diagnostic systems when the installation procedure
23 is completed and the vehicle is returned to the customer who
24 requested the work to be performed or when ownership is intended
25 to be transferred.

26 (C) The airbag includes a part or object, including, but not
27 limited to, a supplemental restraint system component installed in
28 a motor vehicle to mislead the owner or operator of the motor
29 vehicle into believing that a functional airbag has been installed.

30 (D) The airbag is subject to the prohibitions of subsection (j)
31 of Section 30120 of Title 49 of the United States Code.

32 (4) "Supplemental restraint system," commonly referred to as
33 an "SRS," means a passive inflatable motor vehicle occupant crash
34 protection system designed for use in conjunction with active
35 restraint systems, as defined in Section 571.208 of Title 49 of the
36 Code of Federal Regulations. A supplemental restraint system
37 includes one or more airbags and all components required to ensure
38 that an airbag works as designed by the vehicle manufacturer,
39 including both of the following:

40 (A) The airbag operates in the event of a crash.

1 (B) The airbag is designed in accordance with federal motor
2 vehicle safety standards for the specific make, model, and year of
3 the motor vehicle in which it is or will be installed.

4 (f) This section does not affect any duties, rights, or remedies
5 otherwise available at law.

6 (g) *This section does not preclude prosecution under any other*
7 *law.*

8 SEC. 3. No reimbursement is required by this act pursuant to
9 Section 6 of Article XIII B of the California Constitution because
10 the only costs that may be incurred by a local agency or school
11 district will be incurred because this act creates a new crime or
12 infraction, eliminates a crime or infraction, or changes the penalty
13 for a crime or infraction, within the meaning of Section 17556 of
14 the Government Code, or changes the definition of a crime within
15 the meaning of Section 6 of Article XIII B of the California
16 Constitution.
